

THE HEALTH COOPERATIVE

Stronger, Together.

WELCOME OUR NEW HEALTH COOPERATIVE PARTNERS!

We are excited to welcome two outstanding organizations to our network, expanding access and enhancing care for our members.

PathGroup

PathGroup is one of the nation's leading physician-led pathology and clinical laboratory organizations.

Their team of more than 240 subspecialty expert pathologists provides advanced anatomic, clinical, and molecular diagnostic services to hospitals, physician groups, and healthcare systems across the United States.

SERVICES INCLUDE:

- ✓ Comprehensive laboratory testing
- ✓ Women's health diagnostics
- ✓ Oncology and hematology testing
- ✓ Dermatology and gastroenterology pathology
- ✓ Advanced molecular diagnostics
- ✓ Rapid and accurate lab results

PathGroup operates 24/7 and is recognized for combining cutting-edge technology with physician-centered care to improve patient outcomes.

Community MEDICAL EQUIPMENT

Community Medical Equipment provides quality home medical equipment and healthcare support services throughout Missouri.

Their mission focuses on helping patients maintain comfort, independence, and improved quality of life through specialized medical equipment and personalized service.

SERVICES INCLUDE:

- ✓ Mobility equipment
- ✓ Respiratory and oxygen supplies
- ✓ Home healthcare products
- ✓ Durable medical equipment
- ✓ Personalized patient support
- ✓ Equipment setup and education

With multiple Missouri locations, Community Medical Equipment is dedicated to delivering dependable service and healthcare solutions close to home.

These partnerships represent our continued commitment to **expanding access, enhancing member benefits, and improving healthcare experiences** for our communities.

STRONGER TOGETHER.
BETTER HEALTH. BRIGHTER FUTURE.
